

Camelid Importation Your Opinion Counts

Share your opinions about Camelid Importation. Results will be reported in the next issue of Cool Camelids. You can identify yourself if you wish; however, you are not required to do so.

	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
Imported camelids are superior to domestically bred ones.					
I have confidence in the genealogy of imported camelids.					
I have confidence in the registration information provided by ILR for imported camelids.					
I support live camelid importation.					
I support camelid embryo importation.					
I have confidence in the ILR's ability to properly screen imported camelids.					
I have confidence in the ILR's ability to guarantee proof of parentage of imported embryos.					
The ILR should return to registering imported camelids.					
The ILR should register imported camelid embryos.					
I have confidence in the ILR's overall registry accuracy.
